DUPLEX 340 – FLOOR STEAM CLEANER & SANITISER

The smallest of our steam models, the 340 Steam cleans without the need for aggressive chemicals making it ecologically-friendly and economically sound and like the other Duplex Steam models it not only cleans it also sanitises with the power of steam. Perfect for daily maintenance cleaning and periodic deep-cleans.

Thoroughly scrubs, steams and recovers dirt and grime to deliver powerful cleaning results. The 340 Steam's twin contra-rotating brushes are offset to one side and the machine cleans in both directions by means of the bi-directional handle allowing 'right to the edge' cleaning. Available with optional colour-coded brushes to prevent cross-contamination.

The brushes scrub deep into carpet pile revitalising fibres and leaving carpets looking like new and on hard floors the 340 Steam gives outstanding results leaving floors dry and ready for use in minutes. A range of different brush
