DUPLEX 420 – FLOOR STEAM CLEANER & SANITISER

The mid-sized of our steam models, the 420 Steam cleans without the need for aggressive chemicals making it ecologically-friendly and economically sound and like the other Duplex Steam models it not only cleans it also sanitises with the power of steam. Perfect for daily maintenance cleaning and periodic deep-cleans.

Available with optional colour-coded brushes to prevent cross-contamination. The 420 Steam's twin contra-rotating brushes are offset to one side and the machine cleans in both directions by means of the bi-directional handle allowing 'right to the edge' cleaning. The brushes scrub deep into carpet pile revitalising fibres and leaving carpets looking like new and on hard floors the 420 Steam gives outstanding results leaving floors dry and ready for use in minutes. A range of different brush options are available for carpets and hard floors and brush changing is a quick and easy process. An optional trolley is available to make moving the 420 Steam from place to place a breeze with no heavy lifting needed.
