## DUPLEX 620 STEAM+ – FLOOR STEAM CLEANER & SANITISER

The largest of our steam models, the 620 Steam+ cleans without the need for aggressive chemicals making it ecologically-friendly and economically sound and like the other Duplex Steam models it not only cleans it also sanitises with the power of steam. Perfect for daily maintenance cleaning and periodic deep-cleans.

The hoop handle makes manoeuvring the 620 Steam+ light and easy and it's 620mm width covers the ground effortlessly making light work of large spaces. The twin contra-rotating brushes are offset to one side and the machine cleans in both directions by means of the bi-directional handle allowing 'right to the edge' cleaning. The brushes scrub deep into carpet pile revitalising fibres and leaving carpets looking like new and on hard floors the 620 Steam+ gives outstanding results leaving floors dry and ready for use in minutes. A range of different brush options are available for carpets and hard floors and brush changing is a quick and easy process. A transportation trolley is included to make moving the 620 Steam+ from place to place a breeze with no heavy lifting needed.
