Karcher BRC 45/45 C

Spray-extraction carpet cleaning machine

- For regular and deep cleaning of medium to large carpeted areas
- Two roller brushes for high performance carpet cleaning
- Cleans deep into the carpet pile
- Adjustable working direction
- Fast drying times
- Uniform floor contact on uneven surfaces

The Karcher BRC 45/45 C is a high performance walk behind carpet extraction cleaner for deep and interim cleaning of medium to large carpeted areas, giving excellent cleaning results in one pass and with very fast drying time. It can also be used for interim 2-stage deep cleaning, leaving carpets clean and ready for vacuuming on just 20 minutes.

The floating brush head has 2 contra-rotating roller brushes which clean deep into the pile from two sides and ensure uniform floor contact on uneven surfaces.

The working direction, forwards or backwards, is easily adjusted using a folding push handle, enabling a comfortable, ergonomic, working position in all areas.
