

## Thor Black Edition Skid Diesel Pressure Washer

Heavy duty cold water pressure washer

- Skid mounted pressure washer
- Heavy duty skid with dampening rubbers
- 200 – 500 bar pressure
- Hatz twin-cylinder diesel engine
- Interpump 66 Series pump
- 15-41 litres per minute
- 7 litre fuel tank

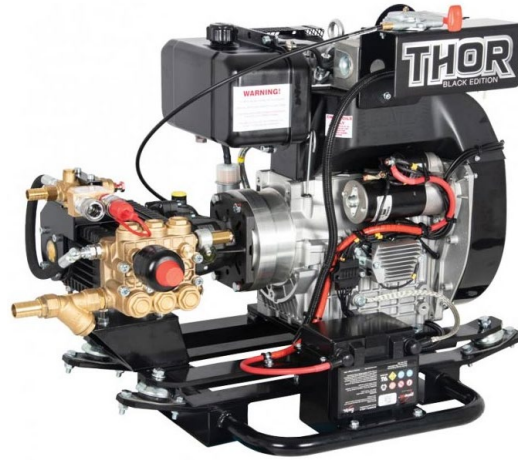

Note: The Thor Skid is not provided with lance/hoses, although these can be supplied as optional extras.

The Thor Black Edition Skid is a heavy-duty pressure washer, suitable for use in challenging environments. Performance is enhanced, due to the super heavy-duty, robust skid, with dampening rubbers and the RS500 gearbox drive, with Vibroflex coupling. Pressure is controlled via an unloader valve and preset safety valve.

Thor skid pressure washer features:

- Electric start with battery
- Powerful Hatz 2G40 engine with oil alert
- Interpump 66 series pump
- Soft start unloader valve
- Fuel cut-off solenoid for ignition key shut down
- Ignition panel with digital hour meter and warning lights

The Thor 412000 skid features a twin outlet for dual operation.

## Technical data: Thor Black Edition Skid Pressure Washer

Features:	41200 (Twin Outlet)	25300	18400	15500
Product code	TS41200DHE	TS253000DHE	TS18400DHE	TS15500DHE
Interpump (66 Series)	W2141	W3025	W4018	W5015
